

(Sri U. M. MADAPPA)

- (b) the cost of the estimate ;
- (c) the office in which it is pending;
- (d) since how long it is pending ;
- (e) the action taken to accord sanction to the said estimate ;
- (f) the date on which the estimate may be executed ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

- (a) May, 1960.
- (b) Rs. 46,150.
- (c) Assistant Engineer, ChamaraJanagar Sub-Division.
- (d) Since 10-6-1960.

(e) No action could be taken on the estimate in view of the decision of the Government of India not to consider fresh schemes for individual villages under the National Rural Water Supply and Sanitation Programme.

(f) The question does not arise in view of reply to Clause (e) above.

SURVEY CONDUCTED FOR DIGGING A SEPARATE CHANNEL THE NAGAVALLI DODDAKERE FROM SUVARNAVATHI RIVER.

Q.—101. Sri U. M. MADAPPA (Chamarajanagar).—

Will the Government be pleased to state :—

- (a) whether they are aware that survey was conducted long back to dig a separate channel to Nagavalli Doddakere from Suvarnavathiriver at Annekattee or near Budipadaga in Chamarajanagar taluk;
- (b) if so, to how many tanks water can be supplied ;
- (c) whether an estimate has been prepared ;
- (d) the cost of estimate ;
- (e) the date on which it was prepared ;
- (f) if there is no estimate, the action taken to prepare an estimate ;
- (g) the date on which it may be included in the programme of Minor Irrigation?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

- (a) No.

(b), (c), (d) & (e) Do not arise in view of reply to clause (a) above.

(f) & (g) The necessity or otherwise, for opening such a feeder channel will be examined and necessary action taken thereafter.

REPRESENTATION TO PUT UP SCREW SLUICES TO THE NAGAVALLI DODDAKERE IN CHAMARAJANAGAR TALUK.

Q.—102. Sri U. M. MADAPPA (Chamarajanagar).—

Will the Government be pleased to state :—

(a) the date on which the representation was made by the people of Nagavalli in Chamarajanagar taluk to the P.W.D., Chamarajanagar, requesting to put up a screw (ಮುರಿಸುತ್ತು) sluices (ತೂವು) to the Nagavalli Doddakere in the place of old sluice ;

(b) the cost of the estimate of the said sluice ;

(c) the action taken to construct it in order to supply sufficient water to the atchkut ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(a) No representation has been received.

(b) and (c) The tank has got two sluices and both of them have barrels. The left sluice had choked up and the same was recently repaired. To avoid frequent choking up, it is proposed to replace the barrels of both the sluices with C. I. Pipes fitted with Screw Rod and Locking arrangement at an estimated cost of Rs. 2,500.

TRAINING OF MINISTERIAL RECRUITS

Q.—10. Sri U. M. MADAPPA (Chamarajanagar).—

Will the Government be pleased to state :—

(a) the date on which the training Institutes are started in accordance with the G. O. No. GAD 14 OMP 57, dated 2nd June 1958 in order to train Ministerial recruits ;

(b) the number of trainees underwent training for I and II Division Clerks' posts ;

(c) the amount incurred on this Scheme so far ;

(d) whether they are aware that the notification No. GAD 19 OOM 60, dated 22nd February 1961 has affected the right and interest of the trainees in respect of appointment to the respective post as per the old G.O. ?
